Dear Gottlieb:

All the teams but The Stars have paid \$100.00 dues for May, and did not start the deductions to umpires until June dues. The idea was to get some money in the treas. This \$100.00 if you remember was to be in the treas. by April 28th. Please send yours by the 15th so I can put it on the statement.

I am enclosing checks for amounts due you. There is some question about the money McClary received in Harrisburg May 29th. McClary said only \$7.50 of the \$10.00 should have been charged to him for salary, as \$2.50 of it was for fare. Mitchell's statement lists McClary \$10.00, expenses \$1.00, and \$2.24 trans. to Balto., all given to McClary.

Baltimore also has him listed as receiving \$20.00 from them on June 6th, plus \$1.30 for transportation. On your card he is only charges with \$7.50 for June 6th in Baltimore.

If there has been mistakes it can be adjusted on his next salary. Please look into it.

Baltimore is the only one has sent in there June statement, and Harrisburg and Baltimore the only ones for May. That really only leaves The Grays behind, as The Yankees and Cubans have no park.

Very Truly Yours
